Give Love

Love's the language of our souls.
Love's held in hearts not hands alone.
Love's our small wish for you to enjoy.
We wish you forever peace and joy.

Love walks tall while sharing smiles.
Love's found in silent gratitude's eyes.
Love's giving more than yesterday.
Believing strong, brave and not afraid.

Give love openly,
As the sun shines warm light on you and me.
Across every distance,
So shall our love dare to dance.

Spread love readily,
Pave the long road ahead tenderly.
Your soothing blessings,
Heal all pain and suffering.
